RoHS Compliance
StrongTack | 40.100N

iSee2 confirms to have received assurance from all our suppliers that the formulation of the mentioned products do not contain any substances above the ceiling concentration mentioned in the EU Directive 2015/863 (RoHS-directive, status: July 22, 2019) and is therefore fully compliant with the terms.

iSee2 confirms that we have received the above mentioned certificate from our supplier. iSee2 can neither give any warranty nor assume any responsibility for factors outside our control or knowledge.

Sincerely,

Karel Blondé, CEO
